UNITED STATES GOVERNMENT

Memorandum

TO : C/ASD

DATE: 5 August 1965

Attn :

25X1A

FROM : DD/S&D

SUBJECT:

The attached letter is returned for the following corrections: Paragraph 1 should read "at a meeting rather than as a result of the meeting." Information was requested and here we should indicate the information that was requested so that the answer can be identified. I also think that paragraph 2 should be more specific and might terminate with the sentence: "Please call on us if we can provide any other information you may need."
